NEW CHURCH PLANT

Entrance gate to San Miguel Dueñas

These past few weeks we have been meeting regularly in our house with Juan Carlos and Miriam to talk about and pray about the beginning of our new church plant in San Miguel Dueñas, a town 5 minutes away from where we live. You will have read about Juan Carlos about 6 months ago when he went a gallbladder operation and two by-pass stomach operations that you all so wonderfully helped with the costs. Together we had begun a home group in

Dueñas where we have met every Saturday for the past 3 weeks in different houses, and are now seeking a permanent meeting place. Juan Carlos, his wife Miriam, also Christa and I meet on Tuesday evenings as a leader team where we have been praying and planning. The Saturday evening meetings have been truly

blessed, a wife who had fallen away returned to Jesus after deliverance ministry by Christa. In the first meeting were 7 people, then 11 and the third meeting also 11.

We truly need your prayers in this new adventure for which the Lord has called us, and that we will be led by the Holy Spirit in all that we do. Please pray for a house or land to be available and also for the people of San Miguel Dueñas to be open to the Gospel.

CHIMALTENANGO

We received an invitation to minister in a church in a town called Chimaltenango. Pastora Brenda Marroquin invited us on Mother's Day, which is celebrated here in May, to her church "Apostolic and Prophetic El Shaddai Primavera, to preach the Word. It was a small church but with a wonderful presence of God. After the service we were invited to eat together
