Our First Church Service

This month things moved very fast! On 6th June the contract was signed for a two year rent of a large house which we will use for our church services. The very next day we held our first official service and with guests we had 35 people attending. We were offered the land next door to construct a larger building but we felt it was not from the Lord. We will be looking for a large piece of land which we will build on as we believe the church will grow rapidly.

Evangelism

The following month was spent evangelizing in the town of Dueñas. We were blessed by the local YWAM team of which missionaries Joe and Karin Bedford. The team split into groups and visited many houses handing out not only Bibles but slips with the address of our new church "Dios de Amor! (God of Love). Thank you Joe and Karin for your help. This is what I love to see, ministries helping one another.

Great Needs

One family we visited was in dire straits. The husband Ezekiel is out of work, he needs an operation for two hernias and is in great pain. He has 6 children and some days they do not eat as they have no money. The general hospitals have no medicines and there is a long waiting list for operations. Ezekiel has been told to come back in October! Naturally he could be operated immediately in a private hospital but he could not afford the cost. Meanwhile he must suffer pain. Meanwhile I have helped him with some funds to buy some pain killers. Please pray for this family who has great needs. The good news is that they have begun to come to our church services.

Teaching at YWAM

Missionary Joe Bedford asked me to teach the YWAM students on evangelism, so it was with great joy that during June I was not only able to teach them "Evangelism Explosion" but also able to take them out into the streets to actually evangelize. I was truly happy to not only lead three people to the Lord, but to pray for them

Prayers

Finances for land and church building. Our health and personal finances.

God bless you all for your giving and for your love.
