## PEOPLE BUILDING PEOPLE

*The Gang!*

*The Clinic*

*People waiting to see the doctors*

For the 11th year „People Building People“ under the leadership of John and Sue Gadsby (USA) came to our ministry to serve the people here for 5 days with a medical campaign, a VBS and by building a house for a family. This year YWAM helped us by lending us their facilities and some wonderful and bi-lingual co-workers of theirs. We also are very grateful to the missionary family Bedford, who took charge of the VBS. A big, big THANK YOU to John and Sue and their team of 19 brothers and sisters from different parts of the USA who so generously and so lovingly invest into the people of Guatemala. Every year is a miracle as they come in the middle of the rainy season, and in all of these 11 years it remained dry during the days so that each house could be finished according to plan. God is so good!

## CHURCH

Our new church is growing quickly. After 8 weeks we have already grown to 50 people, and we are running out of space. Can you imagine our 50 people and the 19 from the USA?! But somehow we did it, and we had two very blessed and moving services. As of September 1st, we will have the piece of land right next to our current church house, where we want to build a church for about 500 people.

*Pastors Juan Carlos & Miriam*

*Church- 69 people in a room for 30*

*No room except on the steps!*

The leadership team (Juan Carlos, Miriam, Christa and I) decided to rent and not to buy this 10 x 48 m piece of land. We have two reasons for doing so: 1. The price to buy is horrifically high (250,00 GBP/400,000 USD). 2. At this point in time, this size is just right for our little group to give space to the vision of growth. Once we will have outgrown the 500, we will look for a permanent property and a permanent building, i.e. buy land.

Because the piece of land is only rented, we will erect a „mobile“ building. Mobile in the sense that it can be dismantled and re-built somewhere else when that becomes necessary in the future.

## HELP

The monthly rent is 267 USD/167 GBP, and the building is to cost 20,000 USD/12,500GBP. We want to invite you to help us with this project. Here is an example how the amount could be split and how we could achieve the goal together:

- 8 people at 1,000 USD

- 12 people at 500 USD
- 15 people at 250 USD
- 20 people at 100 USD
- 10 people at 25 USD

If you would like to take one of these slots then please find the bank details below, earmark “church”. Many, many thanks in advance.

Juan Carlos, Miriam, Christa and I are thrilled, excited and full of expectation to see the „little plant“ grow and to see God glorifying Himself in all of it.

## EVANGELISM

Every Monday and Tuesday together with great support of the young people of the local YWAM, we systematically go from house to house to offer people to tell them about Jesus, to listen to them and to pray for them. In fact this is the way how a number of our church members came to us. It is not by chance that our church is called „Dios de Amor“ (God of Love). Our vision is, just like in Acts, to build strong and healthy relationships and fellowship, and to live church in everyday life. “So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favour with all the people. And the Lord added to the church daily those who were being saved.” Acts 2: 46 - 47

## PRAYER

- Finances for church rent and church building
- Our health and personal finances

God bless you all for your prayers, your giving and your standing with us
