YOUTH EVANGELISM CONCERT

At the beginning of November our church organized a concert especially for our teens (although all "young people 90 or younger were welcome!) in the open air on our new piece of land next door to our church. We advertized on the local radio and also handed out many flyers. We were amazed when over 100 people attended! The worship group "Banda Refugio" from the neighboring town of San Antonio Agua Calientes played, and the speaker was from a well-known church in the city. It was a very powerful evening.

JEFF'S HEALTH

Jeff is recovering well from the operation of his cervical spine and we are so grateful for our brothers and sisters who gave towards paying off the hospital bill. At the time of writing we have received over half the costs. If you would like to help please send your donations to the address below marked "J-Mills Operation". Again, many thanks.

THE CHURCH

Our church “Dios de Amor” (God of Love) is living up to its name! Our vision is to share God’s love because until sinners truly hear that message they will not be saved. I am reminded of the famous preacher D.L. Moody who really did not want a preacher named Henry Moorehouse to share in his church whilst he was away, but when he returned his wife informed him that Moorehouse was a better preacher than him; he was telling sinners that God loves them. All week he has shared from just one verse; John 3:16, “For God so loved the world, that He gave his only beloved Son, that whomsoever shall believe on Him will have eternal life.” That was when Moody fully understood the greatness of God’s love, and that is the same for us. Church is all about the love of God.

We now have over 50 members and we are quite packed in the house where we worship. Please pray for the construction of our new building. We still need roughly **\$19,000**. If you would like to help with the cost of the construction, please send your donations (no matter how small) to the address below marked, **“Church.”** A big thank you in advance.

Worship Team is growing.
