PEOPLE BUILDING PEOPLE

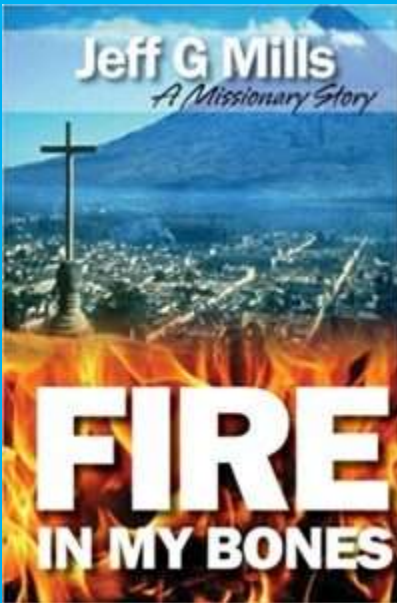

For the 11th year „People Building People“ under the leadership of John and Sue Gadsby (USA) came to serve the people here for 5 days with a medical campaign, a VBS and by building a house for a family. This year the program was put into the hands of our missionary friends, Joe and Karin Bedford who work with the local YWAM. We were there, of course, to help out where we could, and Joe asked me to take care of the Building Project whilst he and Karin could concentrate on the medical team and the VBS. A very big THANK YOU to John and Sue and their team of 19 brothers and sisters from different parts of the USA who so generously and so lovingly invested into the people of Guatemala. Once more, God has been gracious that no rain fell whilst the building was constructed. However, it did rain a couple of times at night. Our Father is a God of miracles indeed!

THANK YOU

We would like to give a big thank you to everyone who gave so generously towards the Procedure that Jeff had on his spine. (Steroid injections into his spinal canal). It was painful! Some people have asked why he does not have a health Insurance anymore. His Insurance was only until he reached the age of 67. At this moment in time Globe Mission has been looking for options to obtain another insurance that will also cover his back, and there may actually be a possibility.

MY BOOK – FIRE IN MY BONES

At last, after a period of ten years, I have finished writing my book, „Fire in My Bones – A Missionary Story“. With the help of one marvellous lady in South Africa, Val Waldeck, who encouraged me, and proofread my book, it is now available on Amazon in no matter what country you live in (except North Korea!) in softback or e-book for a very reasonable price.

This is a true story you will enjoy about the time Jeff who was a hardened British Warrant Officer in the military whose life was dramatically changed by God, and who ended up on the mission field in a drug-ridden, and corrupt country of Guatemala in Latin America. Despite a tragic accident whilst in Guatemala which ended up with Jeff having 13 major operations on his spine and 2 on his neck, he somehow, with the help of his wonderful wife Christa, still managed to help plant three spirit-filled churches. He also visited India several times preaching to thousands and seeing people saved as well as many signs and wonders. This is a book to encourage missionaries and would-be missionaries. I hope you will purchase a copy! www.amazon.com or www.amazon.co.uk

PRAYERS

1. For our safety and security
2. For our health (especially Jeff's back) and a Health Insurance.
3. For finances. Our "Helps Fund" is empty yet again!

Many thanks for your support for almost **24 years**. The Lord is coming back real soon and we need to continue with urgency to share the Good News.
