NEW CHURCH LEADERS

After one year and a time of prayer, we felt ready to choose leaders for our church in different areas of their giftings. What we were mainly looking for was a love for God, servant heart, and humility. Later in a powerful church service we prayed over them and anointed them with oil. We now believe we will see our church grow even more.

HEALTH

The month of August was filled with sickness within our home. Christa went down with a bout of bronchitis and an infection which took three weeks to disappear. Jeff caught influenza which cleared very quickly, but then a week later went down with a very high fever that left him as quickly as it had

befallen him. We are all well again now thanks be to God! We do ask you to remember us in your prayers. Since Jeff's last procedure, which certainly helped him for a number of weeks, there is still a problem with his spine. He now preaches from a high chair, and is often heard loudly shouting, „Hallelujah, I still have a voice!“ We do like what one church wrote to us, „We are lifting up Jeff's arms just as they did Moses arms.“ We are sure other people are as well, and we are so grateful to you all. Thank you all so very much for your financial support for Jeff's procedure.

We now have a worship dance team!

We DO take time to relax. This month we visited a small restaurant chef Sergio, who we know very well, which opened a few months ago.

PRAYERS

1. For our safety and security
2. For our health (especially Jeff’s back)
3. For our finances (especially our “Helps” Fund.)

Many thanks for your support for almost **24 years**. The Lord is coming back real soon and we need to continue with urgency to share the Good News.
