2018

Dear friends, here we are in our 25th year! It is amazing how time flies by when one is kept busy with the Lord's work and continues to be much to do. Right from the start our church building was only temporary and we are praying and expecting God to give us something permanent. We ask for your prayers in this matter.

CHRISTMAS CELEBRATIONS

December was a very busy time for all of us. With the help of your donations, we were able to give each of the children a Christmas gift, and to only to watch their eyes light up and their big smiles was worth every penny! These gifts were handed out after our Christmas Eve service, and we were also entertained by the children and teens each putting on a wonderful performance for us. After the service a delicious traditional meal of tamales and a drink of punch were served. Later on in the evening at the stroke of midnight Guatemalan families have another meal of Tamales and ponche and set off firecrackers. At midnight on the 25th, they set of firecrackers again.

WEDDING

On December 16th two members of our church were married. It seems that it is tradition for the bride to turn up late! We were not to be disappointed as she turned up 90 minutes later with me being the taxi driver! It was a beautiful day with the sun shining when Augusto and Zindy were officially declared husband and wife in front of God.

PROJECT SEWING MACHINES

We have been seeking a possibility to help the women in our church to help themselves. After long talks with Miriam, the wife of Pastor Juan Carlos, she told us that it would be a wonderful project if some of the ladies could make traditional aprons and other clothes for selling, and so helping the families to live a bit better financially. Miriam has spoken with some of the ladies and they are very excited about this project, as we are! We have looked into the prices of sewing machines and believe that it would be a good idea to start off with 4 machines. These would be kept centrally in the church under the supervision of Miriam. The cost for a machine in this country is not that expensive compared to European prices. Each one is \$190 (156 Euros) or (138 Pounds Sterling). If you would like to invest into a family's life by purchasing one of these machines, please send your donation to the address below marked "Sewing." We thank you in advance.

FUNERAL

On 16th January, Lencho, the father of Pastor Juan Carlos died after a short sickness. As is normal in this country, the funeral took place the following day. This was a tough time for Pastor Juan Carlos and for us all, as he was truly loved by everyone. At the age of 74 he was always seen dancing in the church and he truly loved the Lord. Christa and I had known him since we first came to Guatemala when he worked for Living Water Ministries. He will be truly missed

OUR FINANCES

In December, two churches stopped supporting us for various reasons. We truly thank those churches for their help over the years. And, speaking of help, our **Helps Fund** again is almost empty, and the needs here are tremendous, and often when the Helps Fund is empty we use our own money to help others. Please consider helping people directly by way of our Helps Fund. Many thanks for your support for almost **25 years**. The Lord is coming back real soon and we need to continue with urgency to share the Good News.

We ask for your prayers for our health and safety.

God bless you and keep you all !
