

Jeff & Christa Mills in Guatemala

Final Harvest Ministries, Apartado 10, 03901 Antigua, Guatemala, Central América

April 2018

CLASSROOMS

Since the beginning of the church, we have been renting a house and a piece of land- Now in view of us moving back to Germany, we are interested in reducing spending and would like to move out of the present building we use for the children's classrooms by the end of May. So we are looking at building two classrooms within the confines of the church ground. This, of course, is going to cost money, and we come to you as your outstretched hands to ask if you would help towards the costs of construction which will be approximately 10,000 Quetzales (\$750). Please pray about helping us, and, if you would like to contribute then send your gift to the address below marked "Classrooms". We thank you in advance.

EVANGELISM

On one Sunday in April instead of the normal church service, we all went out into the streets of the town evangelizing whilst Jeff set up a "Prayer Station". It was a wonderful opportunity to reach out to the people who needed prayer and also to be able to share Jesus with the lost.

Ready to hand out tracts!

VISITS

Part of our ministry is visiting the sick and praying for them. Recently we visited Cecilia, a dental friend of ours and her family. Both her Aunt Gloria and mother also live with them, and we had the opportunity to pray for the Aunt who had been suffering for a very long time with pain in her legs, making it difficult to walk. The following day an excited Cecilia telephoned us to say her Aunt had been healed and was walking around the house and outside without pain. This is what we are told to do by Jesus Christ – Share the Gospel, signs and wonders WILL follow! Thank you Jesus!

HOUSE FOR SALE

The house has now been put up for sale and we have already had a couple of people to come and see it. But as yet, it has not been sold. We cannot move back to Germany until we have a buyer and that the church will be able to stand on its own two feet.

PEOPLE BUILDING PEOPLE

For the past 12 years the “People Building People” ministry has brought a group to Guatemala to build a house (in 5 days), run a medical clinic and a Vacation Bible School for the children. This group is made up of different churches, and it is not too late if any individual would like to be part of this group. It is a great opportunity to see Guatemala and how we missionaries minister to the people. You stay in a very nice hotel (with swimming pool) and good meals for a very reasonable price. If you are interested then please contact us by email for more information.

PRAYERS

We ask for your prayers for Jeff’s health to improve as he is finding it difficult to get around, even though this does not stop him preaching! He says that while he still has breath he can preach the Good News! Also prayers for our safety as the crime in this country has increased two-fold. Prayers also for our church and for the sale of the house.

God bless you and keep you all !
