SEWING MACHINE

You will remember in January we asked if you would help towards the cost of 3 sewing machines, so people in our church could help themselves to make items and sell them. To date we have been able to purchase our first machine due to the generosity of a friend in the USA. We would still love to be able to purchase the remaining two sewing machines as the ladies in the church are excited to be able to earn some money, remembering that some of our church members earn less than \$3 a day. The remaining funds needed for two are \$380 (\$190 each) (324 Euros) or (285 Pounds Sterling). If you would like to invest into a family's life by purchasing one of these machines, please send your donation to the address below marked "Sewing." We thank you in advance. We would also be grateful if you would let us know in advance by email.

NEW CLASSROOMS

We are pleased to announce that the funds have now come in for the two new classrooms. We are grateful to the donors who sent us the full amount. The Lord bless you and your church mightily. As soon as they are constructed we will send photos. Isn't God good?

VISIT OF TERI & MIKE FLYNN-COOPER

Recently we had a surprise visit of a couple, Teri & Mike Flynn-Cooper who had found my book on Amazon and decided to visit Guatemala. They were curious to meet the author of the book and we had a wonderful night in a restaurant where they treated us to a dinner. I also had the opportunity of praying for them both in the restaurant. Thank you Teri & Mike for your visit and hospitality.

REVIVAL

I have a hunger and thirst to see Revival break out in our church, then in our town and then in the whole country. But no military power can bring revival. No economic upturn brings revival, and no election can bring revival. The Lord has showed me that revival will only come when I meet with Him. I know that many a time I have sought God to do something for our church, our family and our nation. But He has shown me that it is not only seeking His hand but also His face. My heart yearns for God, and my prayer is "O Holy Father will you come down?" Studying past revivals, I have noticed that it has started by one or two people who have decided to spend hours in prayer seeking His face and that is what I am doing. Time is short before the Rapture and this country needs revival.

God bless you and keep you all.
