Dear intercessors and supporters,

We would like to let you know that **our beloved sister Margit went to be with our Lord and savior**, whom she loved more than anything and whom she served faithfully.

She endured her suffering of venous ulcers for 12 years and despite tremendous pain and sleepless nights she was always full of worship and thanksgiving. She was a true role model for our church as well as many non Christians who knew her. She was a spiritual mother and counsellor for many women who visited her, we saw Jesus' nature within her and what is most beautiful: She fought the good fight until the very end, she held on to her faith, her hope, her charism and her death was quiet and peaceful. Even laying in her coffin you could see peace on her faith.

We thank God for having Margit with us for 22 years.
She was a gift and a blessing to us.

We would like to thank all donators from the bottom of our hearts who helped provide bandages and medicine for Margit over the last year!

A very special and heartfelt thank you to the Krumbacher family who cared for Margit and her wounds in their own home for 1 year and 3 months, which was costly as well and to the company that donated those very expensive bandages!

The second topic we would like to bring to your **urgent attention**:

We need to build a **fenced soccer field for the upcoming summer camps**, so the ball will no longer fall onto the surrounding roofs, destroy roof tiles and cause excessive damage.

We have already set 6m high iron posts around the field and now we will need to put up the wire netting, which will cost about €1500 in material and €500 in labor.

If you would like to support this project, we would appreciate it.

God bless you

Greetings

Michael and Senta with Philippus
