

# Jeff & Christa Mills in Guatemala

Final Harvest Ministries, Apartado 10, 03901 Antigua, Guatemala, Central América October 2018

## THE CHURCH

By the grace of God, our church has grown to approximately 90 people (35 children). We have already outgrown the classroom for the children and have purchased a toldo (tent) for the young mothers with their babies. Little by little we make do with what we have. From this month we now have a monthly meeting for the men and the first one was attend by 16, and we give the men the opportunity of sharing what is on their hearts. We were also able to purchase Korg Keyboard for the worship group.

## CHRISTMAS

Soon it will be Christmas, and we would like to repeat what we did last year by giving a small gift to each child. The majority of these children do not receive gifts at Christmas, so they get very excited being able to receive a Christmas present. This year we need to raise at least \$600 which will not only pay for the gift but for them to have a "tamale" and a punch. If you would like to help, please mark your donation "Christmas". Thank you in advance.

## EARTHQUAKES & VOLCANOS

This month the volcano Fuego blew out hot lava and rocks which once again blocked the main highway. The very next day we had an earthquake on 5.8. We thank God there were no deaths this time. But these are becoming more often as we head into the very last but exciting days. We have continued to give help the families of the volcano tragedy and we hope to hold a church service among them within the next couple of weeks.

## HEALTH

Since last month Jeff has started a new natural medicine called CBD oil. It has made an amazing difference. Whilst Jeff earlier was on four different medicines twice a day, he has now cut down to HALF a pill of just TWO medicines once a day. We will continue to try and see, if Jeff can stop all medicines altogether. Praise God!

## WE CONTINUE OUR MINISTRY IN GUATEMALA

You will remember that we said that we would return to Germany. Well, we will not go back! We will stay in Guatemala. The strength necessary for a resettling, the uprooting here and a new beginning in Germany – in the end, it won't happen. And besides, of course there is still plenty to do here, the gospel to share, people to help and a church to grow. In prayer, we have found peace in this decision.

## **PRAYERS**

1. For the survivors of the Volcano Tragedy.
2. For peace in Guatemala.
3. A larger (Free) piece of land for our growing church.
4. Health and finances.
