Visit to Germany

On Wednesday 21 November I will be flying to Germany to attend a Globe Mission “Homecoming” which is a time of refreshing for Globe missionaries who are stationed throughout the world. I am looking forward to meeting the director, Andreas Pestke and his team as well as many of the new missionaries who have joined Globe Mission. I will also be visiting:

Sunday 25 November: Iserlohn House church

Sunday 2 December: Joshua Church Dortmund. (Our sending church)

Survivors of the Volcano Tragedy in June 2018

This month we held a church service with the 10 families that we have been working with for the past few months. It was exciting to know that ALL of them are Christians! They were pleased to be able to have a service as they have no transport to churches. I was able to guide them to a good local church close by that they were not aware of.

Another Volcanic Eruption

As we write this newsletter the volcano Fuego erupted unto a kilometer and a half into the sky last night and today. Three villages have been evacuated and for the time being are sleeping in the local soccer stadium. The authorities this time have been prepared but it has been heartbreaking and scary for some who have spent months rebuilding schools only to fear they will be covered again. We live about 5 miles away from the volcano and are safe. Please pray for these people who live close by. Because they are so poor they cannot move to other safer areas. They make their living close to the volcano.

PRAYERS

1. For the survivors of the Volcano Tragedy.
2. The new eruption will calm down.
3. Funds needed for Children's Christmas gifts.
4. For peace in Guatemala.
5. A larger (Free) piece of land for our growing church.
6. Health and finances.
