

## Jeff & Christa Mills in Guatemala

Final Harvest Ministries, Apartado 10, 03901 Antigua, Guatemala, Central América April 2019

### Baptisms

This month our church “Dios de Amor” held a Baptism Sunday in the local swimming pool, where three of our members were baptized. Later we held a BBQ picnic, people swam and played soccer. It was a wonderful day of fellowship.

### Safety

The numbers of earthquakes this month has calmed down somewhat. We have only had two shakes! This is something we have to live with as we are on “The Ring of Fire”, and we are always prepared for a quick exit from the house. The volcano “Fuego” still blows and sometimes makes our windows shake.

## Christa Interprets

Once again for 5 days, Christa's services were called upon to interpret for Pastor Johannes Gessner from Kitzingen, Germany who taught on missions at the local YWAM base in Ciudad Vieja (the Old City). Pastor Johannes is the pastor of two our Globe Mission missionary friends Joe and Karin Bedford, who work with YWAM.

## The Church

Our church continues to grow steadily with God adding new people each week. On the occasion of our 3<sup>rd</sup> anniversary we are planning to hold a church evangelistic service in the very near future.

## Health

I (Jeff) have just got over a month of dengue which is caused by infected mosquitoes. Dengue causes great pain in the muscles, bones and headaches, also fever, nausea and loss of appetite. But other than aches and from our age we are both doing well. However, I now preach from a high stool as my legs have become very weak for lengthy standing and walking as a result of many operations I have had on my back and neck. But, I have NO PAIN! God healed me 2 years ago! Hallelujah! Do we want to give up? Never! There are still many souls to be saved. I remember a quote by President Teddy Roosevelt: *"A soft easy life is not worth living, if it impairs the fibre of brain and heart muscle. We must dare to be great, and we must realize that greatness is the fruit of toil and sacrifice and high courage. For us is the life of action, of strenuous performance of duty; let us strive mightily; let us run the risk of wearing out rather than rusting out."*

## PRAYERS
