**May 2019**

***“Your people will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings.”*** **Isaiah 68:12**

Dear friends,

You haven't heard from us in quite a while through a newsletter, because we have been communicating with most of you through WhatsApp and we frequently send pictures and small videos. I would still like to give you an overview of our lives over the last 6 months.

**Our family** has been doing well, even though there is a lot happening on our farm. We had guests from Finland with a humanitarian aid transport – a lot of work as well as a huge blessing for the church. We are now celebrating Easter (in our country April 28th/29th) and 8 families from Bucharest are visiting us. We can feel God's blessing on us, as we enjoy our ministry and don't experience it as a burden.

**Filip** is a true miracle. Over the last weeks he has been enjoying the people coming and going and even though it is stressful at times, which results in wild dreams at night – just like last night – where he wakes up scared (Senta was laying beside him) and he stares to one side. I thought that an epileptic seizure was about to start, but I proclaimed loudly: Jesus Christ is victorious, Filip is not scared anymore, Filip celebrates the victory with Jesus...” – and suddenly he smiled and slept peacefully. The same was repeated a few hours later. **Thank you, Lord!!!**

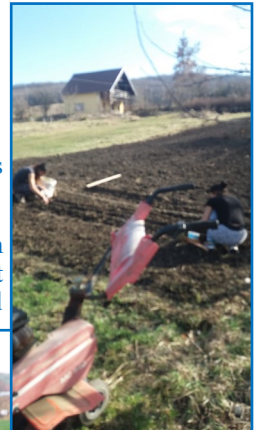

**As a church** in Scharosch we had a wonderful resurrection service on Sunday. We had planned a picnic outside with calf and sheep goulash, but due to cool weather we had to sit in the dining hall of our center. Later the weather was better and we were able to sit outside. We so much appreciate the family atmosphere and many new people.

At the moment we are starting a new believers' course with 4-5 people who would like to be baptized.

**Our teenagers** need patience and prayer. Some of them are doing well and some are fighting a rebellious phase. Having a place (small tasks) in our church makes them feel safe, though. We are sooo thankful for the two teams (from Bramsche and Senden) that has been organizing summer camps for the last 5 years.

Onion plants

Thanks to the rain over the last weeks it has grown well

Humanitarian Aid from Finland

Easter service in the dining hall

The kitchen building team from Birkenfeld. The 82 year old father in law wanted to be on the long trip as well. Beside him Misch's uncle from Zeiden, from whom he inherited his passion for horses

The new kitchen with big inox steel sink is very precious to me

We needed a minibar upstairs in our coffee area for trainings

We will have a Teen camp in August, where some will be trained to help with the Kids Camp. (That means we will have two camps for our church this summer).

**Our Discipleship and Leadership school** changed their emphasis from "Training for discipleship" to "training for ministry" = taking responsibility or leading a small group. So this year we started a ministry school and we will have our 4th session with Pastor Lucian Chis (leader of the network for free independent churches in Romania) on the topic of "Leadership based on the model of Jesus".

We are excited to see our young people (families) attend.

**Special thanks** to all of you who have been supporting us faithfully through donations and prayer for so many years. **Our special appreciation goes to:**

**The church in Augsburg.** We were able to visit in March and were impressed by their deep care for our ministry and family, which was also expressed by a most generous donation.

**The church in Birkenfeld** and their two delegates Michael Bürkle and Stefan (carpenter by profession). They sacrificed their Easter vacation to bring us a "new kitchen", a "small bar" and a new sink for our guest kitchen, took two days to set it up (they worked until 1.00 am) only to take two days to drive back.

**The Church in Bramsche.** They have been sending young people for the last 5 years to organize Teen Camps with our Teens (including preparation of topics, games, workshops etc.) and even donations that cover our costs.

**The church in Senden.** They have also been coming with their Royal Ranger team to preach the gospel to our children (9-12 years) in exciting, funny ways, but also have great times where the children truly experience God. They also come with all the material for the camp, with aid for the church as well as donations for the camp.

Guests from Israel at our last training

Lady's group at our last training. One afternoon for fellowship in small groups.

### **Prayer requests:**

- Pray for the new people who want to be baptized
- For the leadership training in May. May our young people understand the servant's heart of Jesus
- Breakthrough for the teenagers and new people in the church
- Keeping victorious with Filip's fear and epileptic seizures
- Learning to walk on water with Jesus in sight (being victorious in spite of challenges)

**May God bless you and repay you for everything you do for Him and us!!!**

In His love
