Final Harvest Ministries, Apartado 10, 03901 Antigua, Guatemala, Central América May 2019

## HEALTH

The month of May has been a difficult one for me (Jeff) due to my health. For 5 weeks I have not been well. The doctor had misdiagnosed me as having dengue when in fact I have ulcers and a very inflamed stomach. This has given me nausea and a lack of appetite and of course lack of strength. I finally saw a specialist who gave me an endoscopy and colonoscopy which revealed the problem. After a dose of antibiotics I am now on other medicines plus rest and recuperation. I am pleased that I have a strong and healthy wife by my side!

## CHURCH

The church continues to grow steadily under the guidance of our pastors Juan Carlos and Miriam. This month we celebrated Mother's Day by having a special service. A small gift was handed out to all the mothers in thanks for all they do for their families. Also, this month we gave the opportunity during one church service of anyone who wanted to sing to come up front on the platform. In all we had 8 different people! This was to show that the service was not just for the worship group but for anyone who had a song on their heart,

## DANIEL

You will remember in a past newsletter about Daniel (a survivor of the volcano disaster last June) who has leukemia. With your funds we have been able to not only purchase medicines, but also an Eco-filter for clean water which is so important for his health.

## VOLCANO DISASTER

It is now almost a year since the volcano disaster and we have been helping a number of families that survived. It is good to know that some of these families have now been rehoused and some also are working, but there are still the few that need help. The help is mainly for the children and a friend of ours who is a teacher is running a school for 12 children from her house. We have been helping her with funds to buy school books plus decent clothes for the children. One mother recently gave birth and she needed medicines which we were able to provide. We want to thank everyone who has given this fund.

## SPONSORSHIP

Our pastors Juan Carlos and Miriam are finding it extremely hard to survive on the tithing of the relatively small numbers in our church, but as the church grows we are hoping this will no longer be a problem. Meanwhile of course, we help as much as we can. We are asking for people to sponsor our pastors financially for one year. They need at least \$400 (£315). If you would like to help please send your monthly donations to the address below marked "Pastor." Thanking you in advance.

## NATIONAL ELECTIONS

In June the elections will take place for a new president. This country has been riddled with corruption, drugs and Mafia gangs for many years. The previous 3 presidents are currently in prison along with half their governments. Please keep this country in prayer that a good, righteous and law-abiding candidate will be elected.

## PRAYERS

1. A larger (Free) piece of land for our growing church.
2. Sponsorship for our pastors.
3. For the survivors of the Volcano Tragedy
4. Health & Finances
5. God's continued protection for us.
