PEOPLE BUILDING PEOPLE

During the last week of July, we had a busy but wonderful time hosting a group from the USA (People Building People) who have been coming to our ministry for the past 15 years. Within five days we had three doctors and one dentist who saw over 450 patients from the town of Ciudad Vieja and surrounding towns. At the same time the team with some of the local Guatemalans built a house in five days for a well-deserved family. We thank the directors of People Building People John and Sue Gadsby and also both teams for their love and care for the people of Guatemala.
