Church

Two weeks ago, we recommenced church services, but because of the many new weird Covid-19 rules, we have held two services each Sunday morning lasting one hour. Temperatures are taken on arrival and hand cleanser is available at the entrance and face masks have to be worn. The feedback we have been receiving is that at least people can come together again to pray and worship and receive a teaching after 8 months..

Covid-19 Virus

The daily number of people still catching the virus is high, but I have read recently that thousands of these tests have been faulty! People who have been shown to be positive, the next day are negative! Guatemala actually ran out of testing equipment, so Germany donated 1 million test kits. Thank you, Germany! The low number of deaths here in this country, gives reason to be hopeful however! Of course, we know that praying each day has perhaps kept the numbers down low. Some of our church members have returned to work, but there are still a few without work. So, we ask once again, if you wish to help, please send your donations to address below marked **"Virus."**

Earthquakes, Volcano Fuego, and Hurricanes

This month alone the number of earthquakes has increased. Over a period of 3 weeks we had 3 earthquakes, and on one day 8 earthquakes! They were not strong enough to collapse buildings, but did shake our house. Our house has also shaken many times as the volcan Fuego behind us has been sending out strong "booms" and fire and smoke high into the air. At the time of writing we have caught the tail end of two hurricanes, and Hurricane Eta is expected to pass over Central America this weekend.

New World Order

We Christians would be blind if we did not notice that we are in the very final days before the Rapture. This is what gives us hope and makes our faith stronger to continue in our ministry for the Lord, despite pain, and now limited mobility. I am blessed to be receiving physiotherapy from a young lady once a week. One thing is certain, as long as I have a voice, I will continue to serve the Lord with all my soul and strength. I also thank God for a wonderful wife in Christa, who stands strong in the faith with me.

Christmas

Christmas is almost upon us! As we already mentioned in our previous Newsletter, this year again, we would like to give a gift to the children of our church. Everyone who would like to help us with this, please send your donations to the address below marked "Christmas." We thank you so much in advance.

Surprise Gift from our Church Members

This month we received a surprise gift from our church members and which was presented to us by our pastors, Juan Carlos and Miriam. They thanked us in gratitude for all the help we have given them over the past 8 months during the Covid-19 Pandemic. Two colourful mugs with our photos and names on them, and a large card (2 and half cm x 1 and half cm) with most of our church members photos around the edges. Also a recognition engraved in glass. We were really touched by their love and giving as we know the majority of them are struggling financially. Of course, this would not have been possible without the help of all our donors who gave generously month by month. Thank you so much. Below are photos.

Prayers

1. For our finances
2. Funds for our church members (Marked "Virus")
3. For our health
4. For an end to the virus
5. Financial support for our pastor Juan Carlos.
6. Funds for Christmas gifts for the children

God bless you all, and thank you for your continued support.

Jeff & Christa Mills
