### HOUSE OF BETTY

This month I am pleased to announce the completion of the house for Betty. On the day we had an opening ceremony with prayers and the cutting of the ribbon. Later we had a wonderful lunch, together with the construction workers, Pastor Juan Carlos and Miriam, and Betty's parents. If anyone deserved a house it was this single mother who works extremely hard in our church. Below are a couple of photos.

### CHURCH

The church continues to grow strong in the Word, and over 3,000 tracts were handed out by all the members. I had stopped preaching for over one year since the death of Christa until one day I felt the Lord saying it was time to get behind the rostrum again. I shared a message, "Do you Love me?" which dealt with losing your first love for Christ. After the service, we handed out 5,000 tracts to everyone in the church to flood our town and share the Gospel. Now in the photo, you see me in a wheelchair! Due to the many operations on my spine and neck, my legs have become extremely weak. I use a cane in the house and a wheelchair outside. I must admit that in the beginning, my pride got in the way, of not wanting to use it, but now it actually keeps me humble. The good news is I am still preaching and evangelizing on the streets and wherever I go. Time is short and we all need to be out there sharing Jesus Christ.

### EARTHQUAKE

This month we had a 5.9 earthquake at 10.30 pm one night. It was enough for me to rush out of bed into the garden. But there was no damage. However, there were houses among the poor that were destroyed. We get a lot of quakes, nearly every month. Please keep Guatemala and me in your prayers for safety.

## FIRST AID

This month our young people were given instruction in First Aid. Sam, who is a member of our church, is also a part-time Paramedic, showed them how to do CPR, and also actions to take if someone is choking. Our young people really have a fire not only to know about God but First Aid as well. I am very proud of them all.

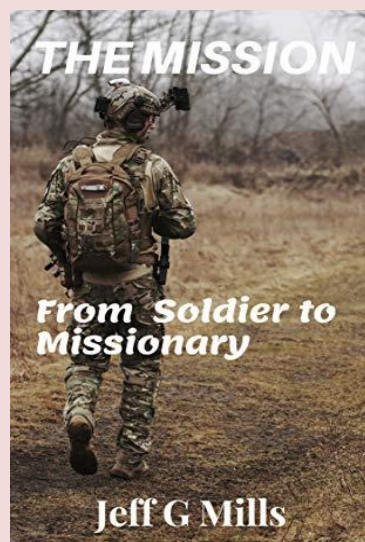

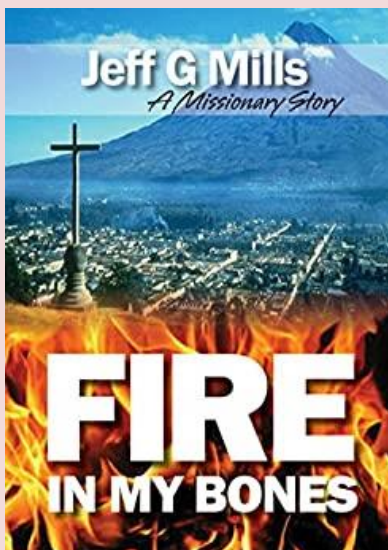

## HELPS FUND

This is our most used fund! Just about every week there is someone that has a need which is normally medicine or seeing the doctor. I was talking to one lady who was not well. I asked her why she had not been to see the doctor. She had, but couldn't pay for the subscription which was more than a week's pay. This is a typical example of where the fund comes into use. It empties quite fast, and I would like to ask you if you would like to contribute to this fund. Please send your donation to the address below marked "Helps Fund."

## BOOKS

If you haven't read any of my two books below, they are available on Amazon, Barnes & Noble, Hoopla and many other Book sites. The book "Fire in My Bones – A Missionary Story" is both softback and Kindle. "The Mission - From Soldier to Missionary" is only Kindle and electronic.
