November 2022

*You are the light of the world. A town built on a hill cannot be hidden.*

*Mathew 5:14*

Christmas is also called the **feast of lights**.

Philippus is excited to watch as all the **lights** are being hung on posts and across the streets, until finally **big colourful lights** will decorate the big Christmas tree at the centre of our town. He is counting the days until Saint Nicolaus Day, when finally on the evening of December 5th the town will be lit by a **sea of colourful lights**.

**"I am the light of the world"**, says Jesus and we all know that this is the **absolute truth. He, JESUS alone is the true light!!!**

At the same time he says in Mathew 5 **"you are the light of the world!"** – Who, you? => **all of us who belong to Jesus.**

**"A city built on a hill cannot be hidden"** – what does that mean? => **a collection of many big and small lights (a church or the community of Christians in a city) = they cannot be hidden!!!**

**"A lamp gives light to everyone in the house..."** => **may the light of God shine through every one of us in our houses. Especially during this time!!!**

**(LIGHT ALWAYS ATTRACTS, GUIDES THE WAY, PROVIDES WARMTH AND PROTECTION).**

With this short greeting at the end of the year we would like to thank all of you **from the bottom of our hearts** for being connected and willing to sacrifice throughout the past year.

**Thank you for your prayers.** We feel them and we are amazed to greet new people in our church services nearly every week. We are realizing that there is a great harvest waiting to be brought in. God gives us grace to recognize and find it. **Thanks to your financial support** we were able to financially assist several of the 30 disciple school participants. Many of them are still in school. Food and energy prices increased, but we were still able to pay the guest speakers and the cook and buy coal and wood for the winter.

We are also grateful (and proud) that our church has been growing in their joy of giving, so that we were able to add an extra room for the children (in the church's backyard - 35m<sup>2</sup>), where the 6-12 year olds can celebrate their Sunday services at the same time as the adults.

We use the two rooms in the basement for the pre-schoolers and mothers with small children. We would like to install a transmission system in this mother and child room (that has been used a lot over the last months). We would like to install an LCD TV on a wall, so the mothers can watch the service downstairs live. That project will cost us 500 €.

Group work during the disciple school

Mother's group

As we have just added isolation and heating to the children's room – we also want to add a small bathroom with a toilet and a sink - we don't have the necessary funds left to realize the **mother and child room project**.

If you would like to support us in this project, we would be grateful!!!

Our heartfelt wishes for a **quiet Christmas Season**.  
**May you walk in His prepared ways next year!**

In His love

Michael and Senta with Philippus
