### WENDY FUND

Thank you so much to everyone who contributed to this fund. Just before Christmas, I got my daughter and son-in-law Edwin to visit Wendy whose separated husband had moved them to the coast five hours away. They came back and gave me the shocking news of the terrible conditions the family was living in. The house was full of mould and so were the few clothes that they had. Also, the “house” was right next to a river where raw sewage poured into it. I knew we had to move this family and with God’s help, we found the perfect place in the town where we live. We took the family shopping and purchased new clothes and shoes for each of them, as well as a new stove and three beds. We celebrated Christmas lunch at my house with the family and now I can keep a close watch on them. Her husband found another woman and sometimes does not send funds to cover the rent, so I help out where I can. The child Adrian is now out of the hospital and recovering at home. He was misdiagnosed with Leukemia where his blood count had been extremely low, and he had an infection caused by the conditions he was living in. Wendy is deeply grateful and asked me to give everyone her thanks.

## CHRISTMAS GIFTS FOR CHILDREN

On Christmas Eve we held a short service of worship, followed by the teens of the church doing a church play of the Nativity. It touches my heart to see these young people giving themselves completely for Jesus Christ. After the reenactment play, the gifts were handed out to the children and also to the teachers of Sunday School. We actually had quite a few leftover and these went to the first children outside in the street passing by the church!

## VIVIAN FUND

The house has now been completed for Vivian and her family. You will recall that rainwater poured into their house onto the beds and elsewhere. We have had a concrete roof erected in place of the corrugated iron. Wendy and her family want to thank everyone and say she and her husband will be praying for those who contributed to the work. Vivian told me that this was a dream come true for her. Thank you!

## LAURA FUND

Work is well on the way to repairing the house of Laura. A new roof has been added so far. I will give more information in my next newsletter.

## HEALTH

I have developed a hernia in my groin and this coming Saturday 21<sup>st</sup> of January will be operated on. The surgeon has told me that it is not just a straightforward operation as it is deep within the groin and he also understands that I am on blood thinners and have a pacemaker! I, therefore, ask for your prayers. I endure the sickness for the sake of the gospel.

## PRAYERS

1. For a mission couple to hear the call to come and join me here.
2. My health.
3. For safety. Guatemala has a great problem with the Narcotic Mafia.
4. Funds needed to pay for my operation.

God bless you all
