*Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light. Mathew 11:28-30*

### Dear friends

We have been realizing that a strong wave of fatigue is rolling towards us with so many people saying “I am taking a break”. We hear this sentence wherever we go. In my opinion it is not the work for the kingdom of God that tires us, but life around us demands **everything** from us!!!

Jesus says to all who are tired and discouraged: “Come to me!” => That may also mean that we are not **as close to Jesus** anymore and that is why we are discouraged and tired. = **Jesus is our source! HE has fresh water all the time, HE provides new strength and hope!!!**

**Our family** is so grateful to have felt God’s goodness and His peace (we felt carried by God), despite huge challenges throughout this past summer with groups and local teams as well as teams from abroad. He teaches us to **”stand on His word”** – and our faith will be tested like gold in fire – and **not to worry about tomorrow**, = because He carries our burdens if **we are led by His Holy Spirit!**

It was a **miracle** when a church from Scotland that we have been friends with for years, like a piece of a puzzle at the right time and the right place, asked us in June: “Do you have a construction project? We have money, but **only for a construction project!**” We were a little shocked in the beginning, because we stopped building a long time ago, but when we thought about it, the Holy Spirit reminded us of **“the pantry”**. We had left the back end of the building with bare brickwork for that purpose. So, we confirmed and soon received 3000€. Watching the process was amazing: Digging and pouring foundations, building walls, roofing and plastering in and outside happened within 3 weeks. The pantry was finished right before the first camp at the end of June. And now we cannot imagine having **worked without it for so long. Such a blessing!**

### Our Church

After a summer break, when homegroups paused, our church leadership felt led to have **a day of prayer and fasting** and an evening meeting once a week for a while. We want to hear God’s leadership for the homegroups and we are praying for **refreshing**.

Youth camp

**Our youth** had a good camp this summer, with young people from other cities joining and even the leaders, who had met during our discipleship school, **forming a team** to organize the camp. The topic was: **Nehemiah – build the wall = your relationship with God and those around you.** They even built a Nehemiah wall.

Nehemiah wall

Another **blessing** was the **Royal Ranger Team from Senden**. Once again they served practically (by bringing and building a trampoline, many boxes of men’s pants and much more, not to forget the **industrial dishwasher** that was set up by the Mammoths during their men’s outreach.

**It is an unbelievable help in our guest kitchen!!**

We also had several amazing **Yogi bear outreaches** for children in Felmer and Cuciulata with great cooperation.

**Baptism**

We closed the summer with a baptism on September 1st. What a gift of God when young people recognize God and give Him their lives to experience His plans for them and be fruitful for Him.

**Discipleship training**

We will start our discipleship training with **class 0 this year – laying foundations**. We encouraged our disciples to bring young people that they are just starting to read the bible with.

**Prayer requests:**

- **Our children ministry in Felmer** = has decreased some. For inexplicable reasons some parents do not allow their children to come (they should rather attend the orthodox church), or children are not interested anymore. We had a summer break, but now we need prayers **for wisdom from God, if and how we should continue**. If we do continue, **children and coworkers need a new zeal to do so**.
- **A new vision for our homegroups** and the desire of church members to participate.
- **The start of our discipleship school** = for God to revive those who need to be there.
- **I have been coughing for 4 weeks** = may God take it away and heal me completely.
- **For patience and rest for Filip** = he is challenged by new people and coworkers that are coming to help. We often need supernatural patience for him as well. Thank you for praying!

Thank you for being connected with us in prayer and financially!!!

In His love
